Jaeger Results

v (Please check one)

- J1 (pass) J4 (Fail)
- J2 (pass) J7 (Fail)
- J3 (Fail) J8 (Fail)

Examiner's Signature

4/6/23

Date of Eye Examination

NOTE: Customer specifications may require J1 as the minimum acceptance.

Color Vision (required for initial and annual certification.)

To be completed by medically recognized personnel or certified Level III NDT personnel or delegate.

Note: A candidate who passes Pseudo-Isochromatic Color Vision Test is acceptable. As an alternative or in case of a failure of an Pseudo-Isochromatic Color Vision Test, the certified level III NDT personnel may administer a performance test to confirm if the candidate can see flaw indication that are typical of the method. Example: In liquid penetrant, confirm that the candidate can see red indications on a white background and fluorescent-green indications on a variety of backgrounds.

I confirm that the candidate can distinguish contrast between the colors used in the NDT method(s) concerned as specified by the employer (or passed a Pseudo-Isochromatic Color Vision Test).
